SUBMITTING AN ABSTRACT FOR ICPE 2022

Abstract submissions must be formatted following the conference **style guidelines**.

The abstract you submit may be accepted for a poster or oral presentation. This will depend on the number of submissions received and the topic of your submission.

Accepted abstracts will be published in the Proceedings of the International Conference on Physics Education.

Abstract submissions can be made **here**.
The following instructions will assist you with your submission.

1. Create a user account

To make an abstract submission, you will first need to login or register a new user account. The "Register" option is in the top right menu and on the "Submissions" page (accessed via the "About" drop-down menu).

This will open the Registration Form for you to complete with all required information.

2. Submitting an Abstract

Start a new submission by clicking the **_Make a new submission_** link at the top of the "Submissions" page. You will be taken to Step 1 of a 5-Step process to upload and describe your submission.

In **Step 1** you will be asked to read and check off each of the items on the Submission Checklist.

Include any comments for the editor, read the journal's privacy statement, and then click the **_Save and Continue_** button to move to **Step 2**.
